Translator's Notes

Page 7: This is a modification of the saying "watari ni fune", which basically means you've encountered something difficult or are in trouble and you receive something unexpectedly that's in your favor that allows you to overcome the obstacle.

Page 26: Shiritori is a japanese word game. When the first person says a word, you have to say the next word using the last syllable of the said word. Example: watashi -> shitsureshimasu -> suteki. The word Ryouta responds with, "oshiri (お尻), means butt.

On a side note, it is generally discouraged in Japanese society to draw attention to oneself, and to fit in with "the group".

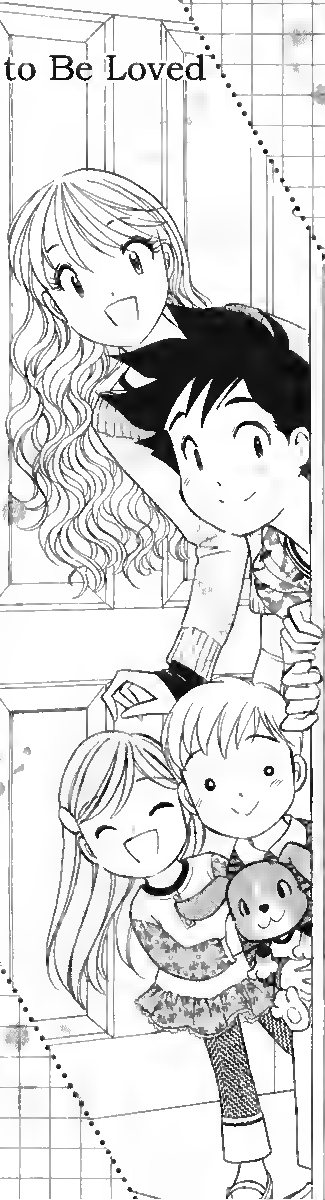
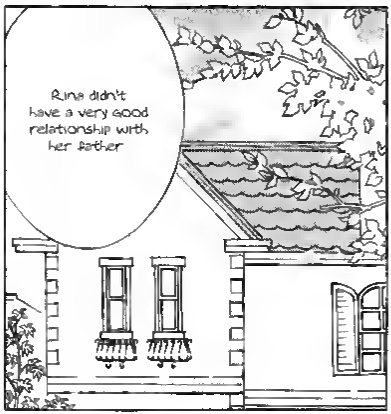
Chapter 50 I Want to Be Loved

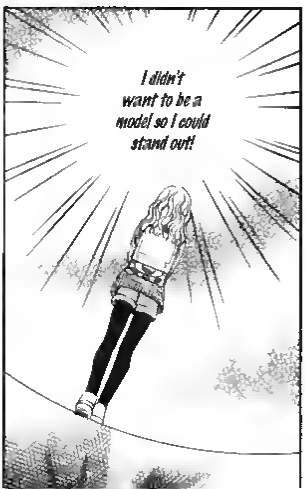


IT'S ON EVERYONE'S MIND AND THEY'RE MAKING A FUSS OVER IT!

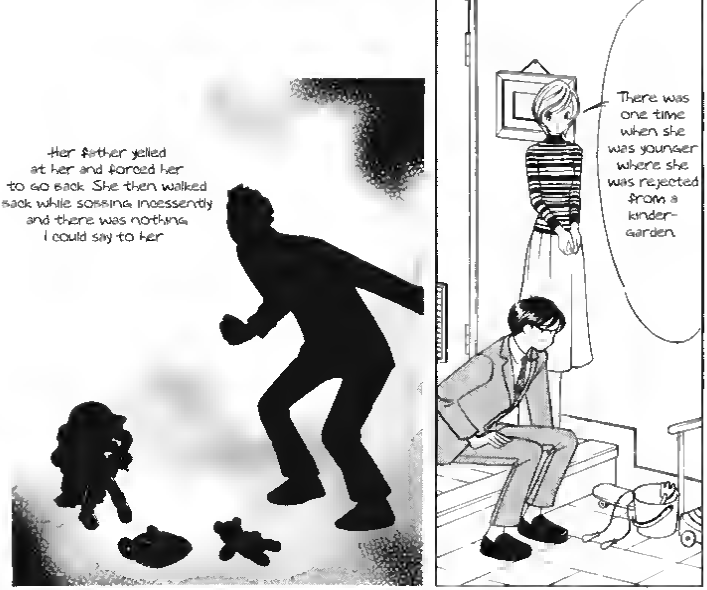
I'm not at fault...



Rina didn't have a very good relationship with her father

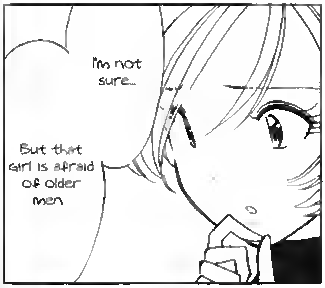


I didn't want to be a model so I could stand out!

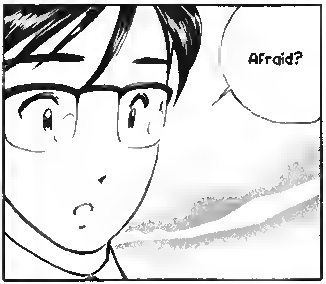


Her father yelled at her and forced her to go back. She then walked back while sobbing inconsolably and there was nothing I could say to her
There was one time when she was younger where she was rejected from a kinder-garden.

And what does she think of me?
Right now Rina looks just like the Rina of that time...



I'm not sure...
But that girl is afraid of older men



Afraid?

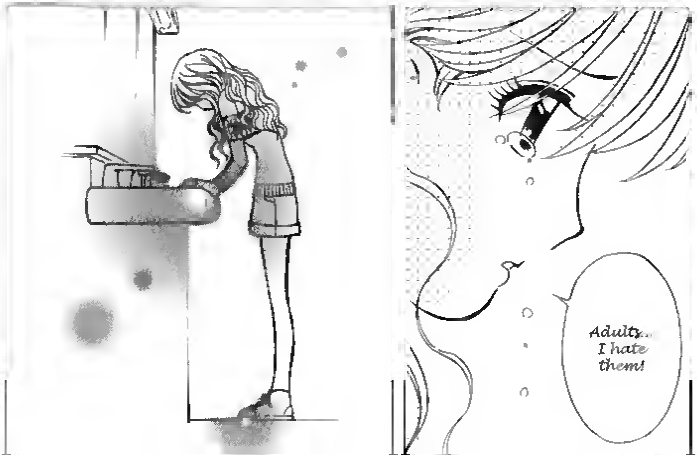
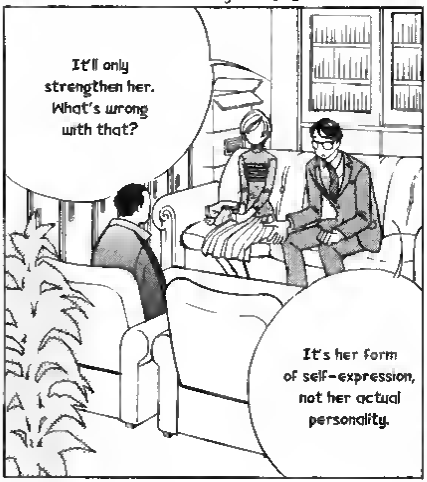
ERICA-CHAN, WE'VE DECIDED ON YOU PLEASE DO YOUR BEST!

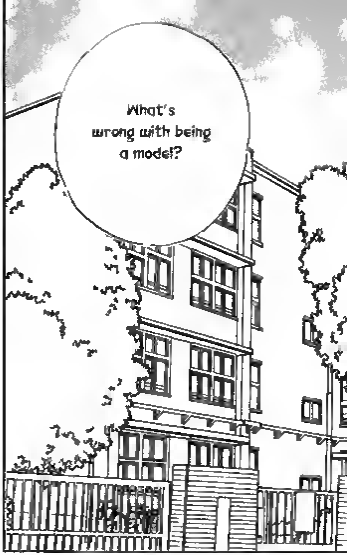
I can't smile is something wrong with me?



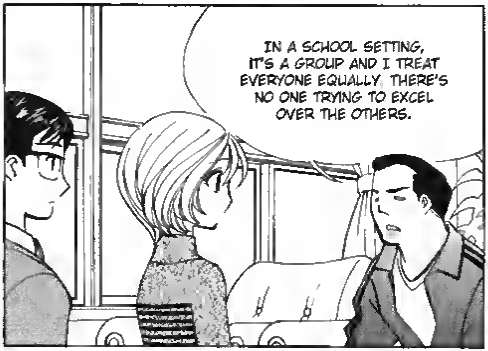
Adults... I hate them!



It'll only strengthen her. What's wrong with that?
It's her form of self-expression, not her actual personality.



What's wrong with being a model?

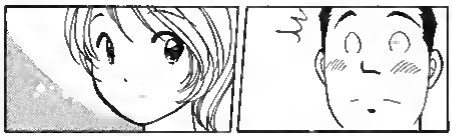


IN A SCHOOL SETTING, IT'S A GROUP AND I TREAT EVERYONE EQUALLY. THERE'S NO ONE TRYING TO EXCEL OVER THE OTHERS.

THAT'S NOT IT. I'M WORRIED THAT SHE'S TRYING TO STAND OUT.

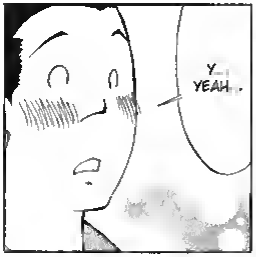
What do you think of your personality then, Sensei?

Besides... Sensei is also a unique and imposing person, right?
HMPH!

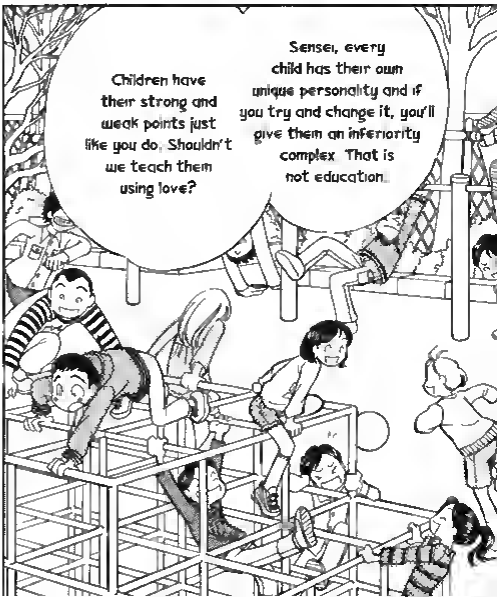


Did you give everyone penalties? Are you really treating everyone equally?

Sensei, don't you want to make use of all of your wonderful experience?



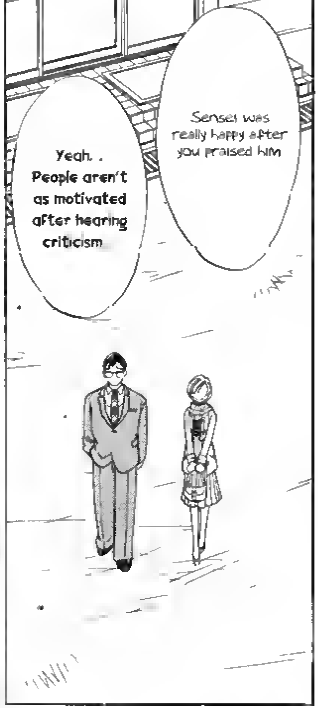
Y-I YEAH...



Children have their strong and weak points just like you do. Shouldn't we teach them using love?
Sensei, every child has their own unique personality and if you try and change it, you'll give them an inferiority complex. That is not education.

...

But to torment Rina-chan in that way... Sensei must have some of his own emotional scars...



Sensei was really happy after you praised him
Yeah. People aren't as motivated after hearing criticism

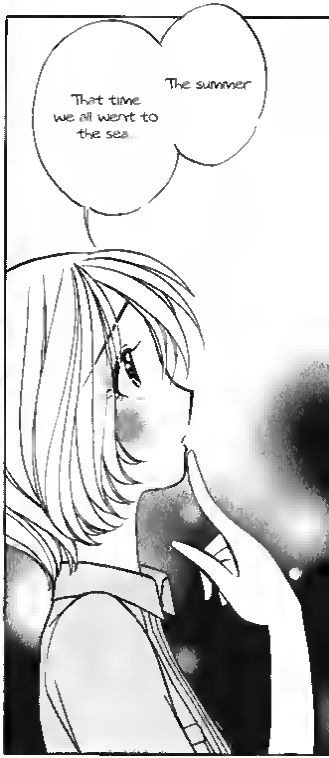
Chapter 51

The Reason I'm in Love with You

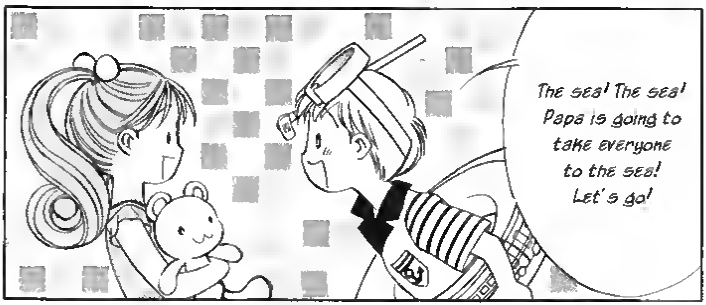
HOW ABOUT THIS ONE?
ISN'T IT CUTE?
And besides... this is my second marriage.
Like I said it's only going to be friends
That's too showy! Something a little more subtle!
I SEE...
I UNDERSTAND YOUR FEELINGS, BUT A MAN WANTS TO SEE A BEAUTIFUL BRIDE

BUT PLEASE, NO THIRD MARRIAGE
I CAN'T AFFOK ANY MORE GIFTS!
It won't happen!
WASN'T YOUR GIFT JUST LOTTERY TICKETS?
When
WHEN DID YOU FALL MADLY IN LOVE WITH HIM?
AT FIRST, YOU WERE LIKE "NO!" AND SHARP LIKE A SEA URCHIN.
Ehehehe
STILL, I DIDN'T THINK THAT YOU AND NINOMIYA-SAN WOULD GET TOGETHER.
No way that's embarrassing!
"I FELL INSTANTLY IN LOVE WITH NINOMIYA SHOUTA-ROU."
THEN, SHALL WE FINALLY HEAR YOU SAY IT?
That's not it!
AND SEX TOO
FINE, I KNOW YOU JUST WANT "MONEY AND STABILITY" RIGHT?

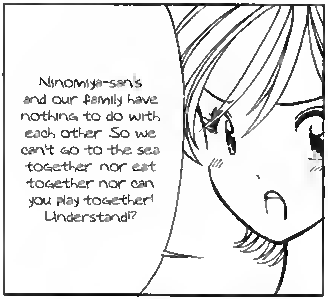
Yay!
THE SEA!
THE SEA!
Luna-chan! Rina-chan!
ガタガタ



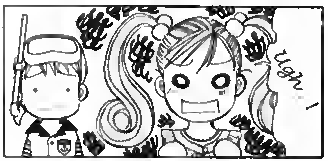
The summer
That time we all went to the sea

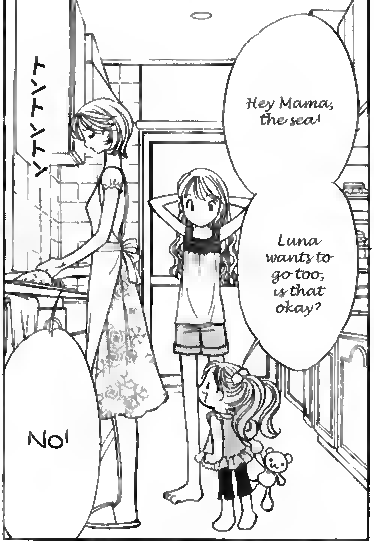


The sea! The sea! Papa is going to take everyone to the sea! Let's go!



Ninomiya-san's and our family have nothing to do with each other. So we can't go to the sea together nor eat together nor can you play together! Understand!?



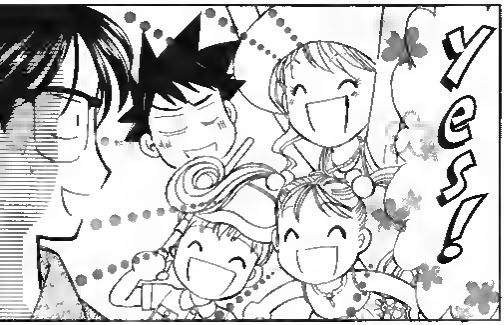


We're going because it's the children's summer vacation. I would be happy if we could all go spend a night together there too
My acquaintance works as a chef in an auberge style restaurant
Auberge!?

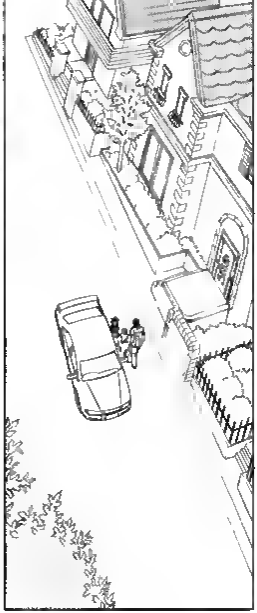
TL NOTE AUBERGE IS A FRENCH INN STYLE RESTAURANT

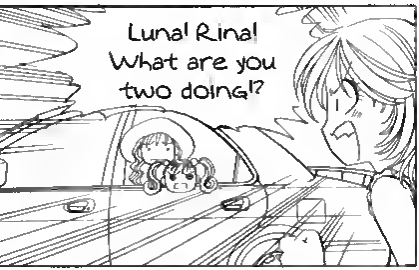
Spend a night!?
Ah... of course, we'll have separate rooms
Auberge!? Runa wants to go! I want to go!!
We can't go, right? You and I, we're TOTAL STRANGERS!
Of course! I mean... we're not going!
We want to go!
We want to go!
We want to go!
We want to go!
We want to go!
We want to go!
We want to go!
No!
Mama will take you to the city pool, so please be patient!
Waah!
Papa, will Luna-chan and the others not come too?
It's hope-less.

Okay, are you two ready to go?

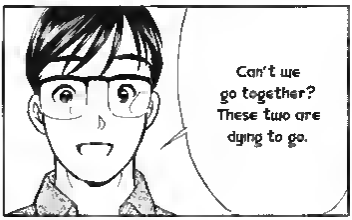


yes!

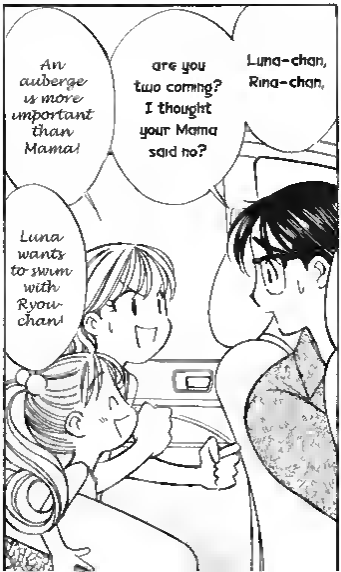




Luna! Rina! What are you two doing!?



Can't we go together? These two are dying to go.

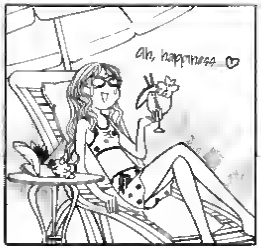


Luna-chan, Rina-chan,
are you two coming? I thought your Mama said no?
An auberge is more important than Mama!
Luna wants to swim with Ryou-chan!

...
That's good, the children are in high spirits

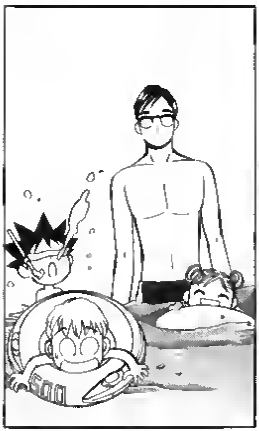
ペコ
OH, ISN'T SHE A BEAUTIFUL LADY. IS SHE YOUR NEW LOVER?
Ah no. I'm sorry to say.
I'M GLAD YOU COULD COME. IT'S BEEN A WHILE
Hey! Thank you for your help.
Ah! My longed for auberge.
Ryou-chan, come quickly!
I said no, Luna!
Okay! Let's do it!
Luna-chan, let's sleep together today!
Wow!
Amazing! So cool!

You aren't siblings so you can't be together! Please head to your own rooms to sleep!



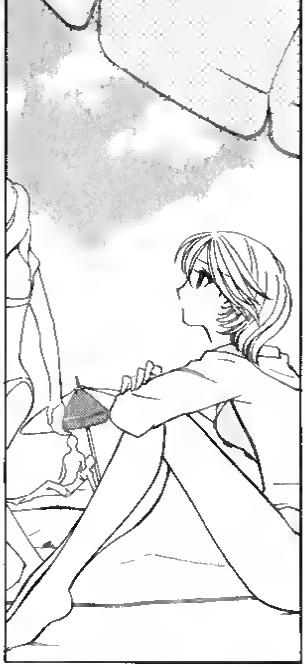
Ah, happiness ♡

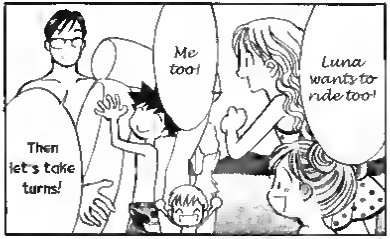
ﾊｯ!



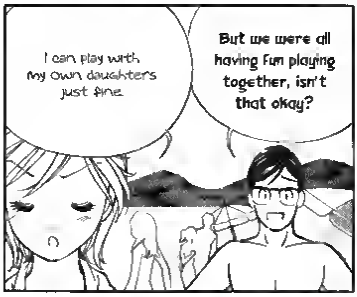
What!

Father
Let's ride this!



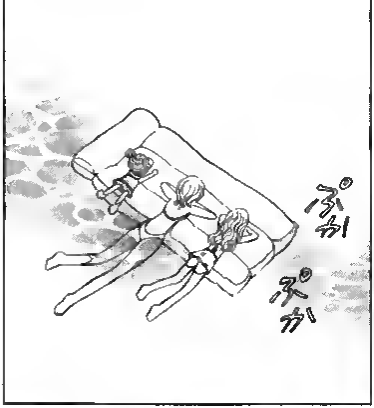


Me too!
Luna wants to ride too!
Then let's take turns!



I can play with my own daughters just fine.
But we were all having fun playing together, isn't that okay?

Luna, Rina! Please come over here! Don't get too close to Ninomiya-san. He's not your father



ぷか
ぷか

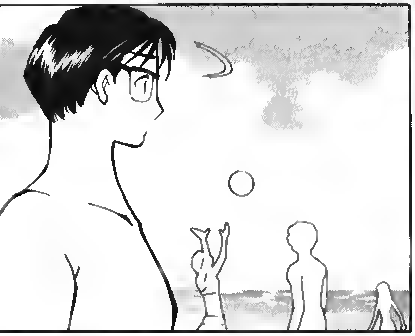
I understand but, please be careful. Being out on the open seas is not like taking a stroll at night.
ア、ハイ!

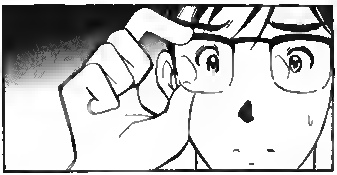
Mama don't be depressed! Smile!

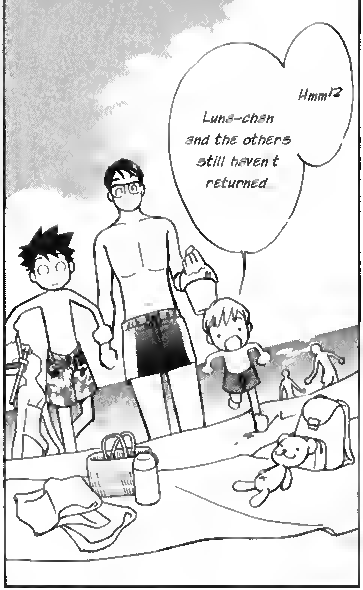
Maybe I said a bit too much...

Let's get out of the water.
Okay, time for a break.

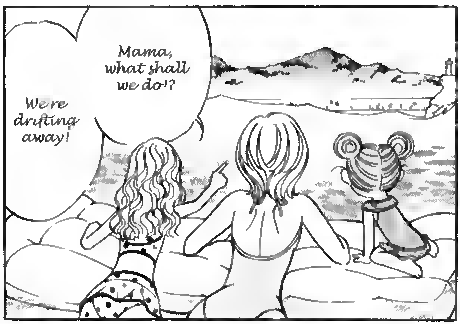
ぷか
ぷか



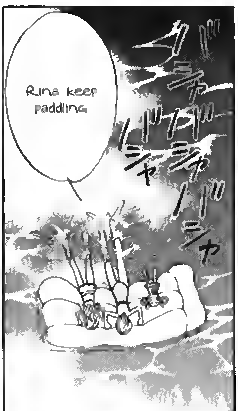




Hmm?
Luna-chan and the others still haven't returned



Mama, what shall we do!?
We're drifting away!



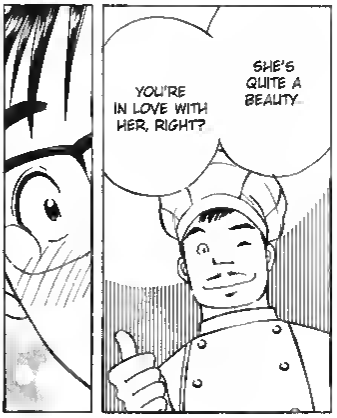
Rina keep paddling
パシャパシャパシャパシャ

They rode it out into the open sea, they could be in trouble, I need to go!
Please look after the children!

WHAT IS IT? WHAT'S THE MATTER?
They took an air mattress out to the sea and it seems they've drifting away. Somehow, they're caught in a rip tide.

IT'S THAT LADY FROM EARLIER, RIGHT?
Hmm?
HEY, SHOU-TAROU

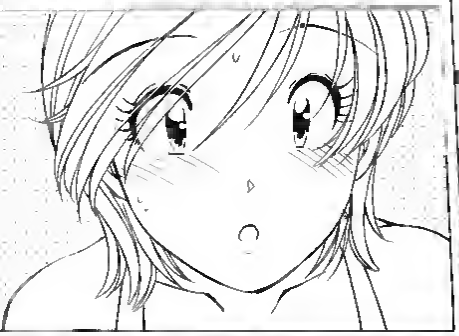
Ah, yeah.
But she's strong willed, not really my companion...



YOU'RE IN LOVE WITH HER, RIGHT?
SHE'S QUITE A BEAUTY.

She's a fighter and the children love her,
and she does her very best!
She's stubborn, but brave...
Will Father be all right?
HE'LL BE FINE WHEN THE TIME COMES TO PROTECT THE WOMAN HE LOVES, A GUY WILL BECOME STRONG
Uh!
I SEE! NOW, HURRY UP AND GO!
That's her charm...
SPLASH SPLASH
What can we do...
Mama, I'm scared! Although we're paddling we're going nowhere!

Are you all right!?



Shou-ta-rou-san!

Na-tsumi-san!

Now, hurry up and get into this boat!

What are you all doing!?
Didn't I say to not go out into the open seas?
しか!

We're fine!

This isn't the time to be stubborn. Hurry up and get in!
Since you've come out this far into the sea, have you thought about how you'll return?

This is none of your business!
You have no relation to us, right!?
You don't know where you're going to float off to!
Why did you say that "you're fine"!?
What is with this stubbornness at this point in time..

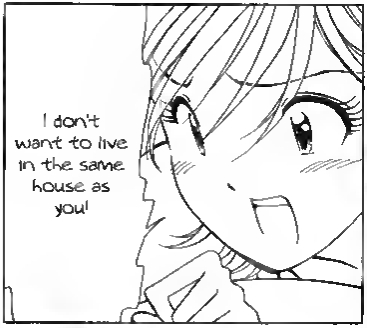
Let's hurry up and get in! I'm cold.
Please go away! We're total strangers!

That's right, I don't!

Why are you being so stubborn?
Don't you have any confidence in me!?

It's not just unique to you! All men are liars and betrayers!

Jeez, I'm fed up!
With marriage, with men!

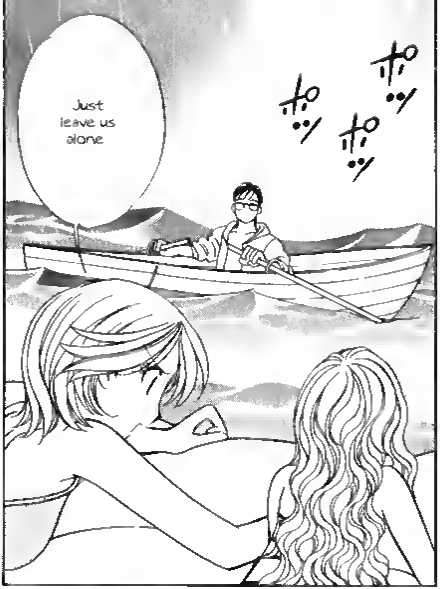


I don't want to live in the same house as you!

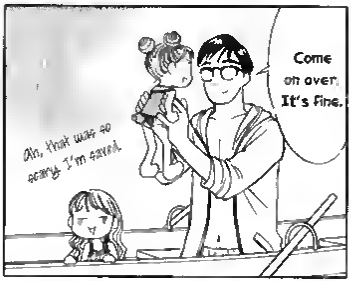
I want you to get out!!

Say a few sweet words and you've captured yourself a woman.
Later on, you leave them alone!
You leave the wife at home and go out doing whatever you please!
You marry a woman and never come home!

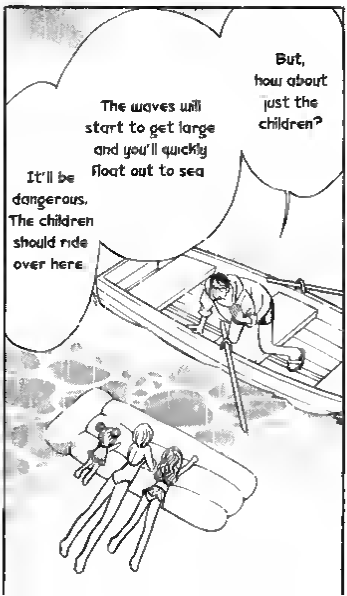
I understand.
You've told me repeatedly to leave you alone. You can do what you want.



Just leave us alone



Come on over. It's fine.
Ah, that was so scary. I'm tired.



But, how about just the children?
The waves will start to get large and you'll quickly float out to sea
It'll be dangerous. The children should ride over here.

ばしゃばしゃ

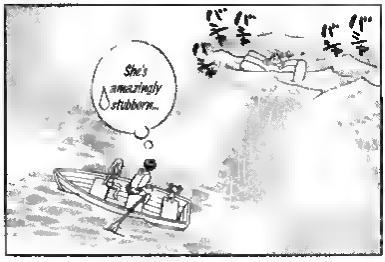
What about Mama?



バチ

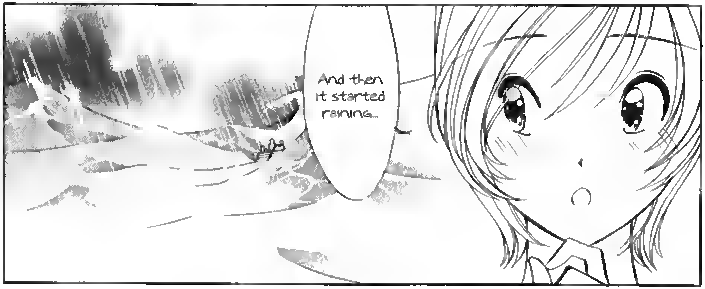
She's amazingly stubborn...

But still, the boat would rock because of the tides and we were still floating out to sea

I got in the boat. If not I'd have floated to Alaska

AND THEN?



And then it started raining...

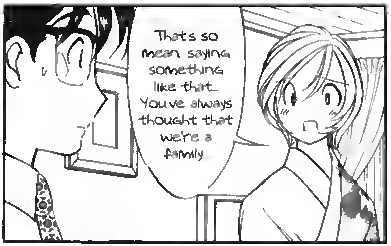
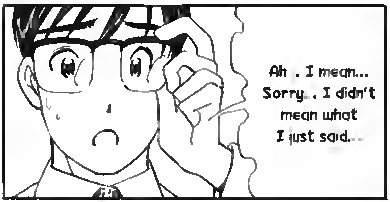
Perhaps so. Just go do whatever you want to then.
Fine then, I will! You and I, we're not a family anyways!

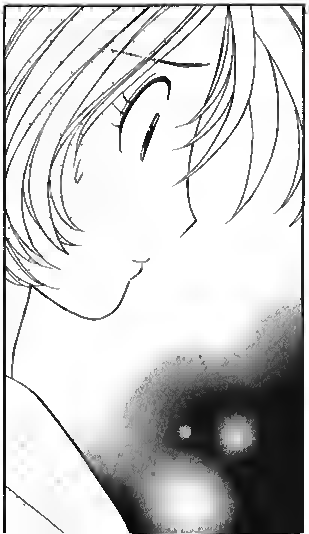
Whatever! You were glad to be all lovey-dovey with her! Disgusting!
How would I refuse her!?
In that situation, how could I refuse?



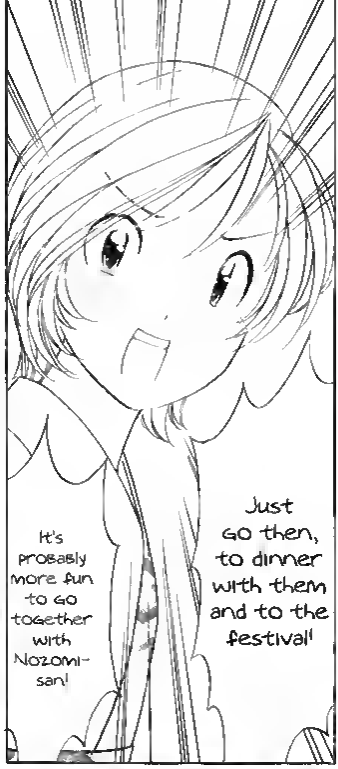
That's so mean saying something like that. You've always thought that we're a family



Ah . I mean... Sorry.. I didn't mean what I just said...



Luna, Rina, let's go.



Just go then, to dinner with them and to the festival!
It's probably more fun to go together with Nozomi-san!
